

EnvironmentalPolicy

Open Country Dairy Ltd is strongly committed to the protection of our environment and the responsible use of New Zealand's natural resources.

Open Country Dairy Ltd, in fulfilling its environmental commitment, will pursue the use of processes and materials which eliminate, minimise, or control any adverse environmental impact through:

- Compliance with all applicable environmental legislation and regulations;
- Identifying and minimising potential environmental risks from our products and operations;
- Promote environmental awareness and responsibility among our employees, suppliers, contractors and customers;
- A strong companywide focus on continuous improvement in environmental management practices;
- Work with industry partners to develop strategies to enhance environmental performance;
- Pursuing a materials strategy based on the principles of Reduce, Reuse, and Recycle;
- Fostering individual commitment and awareness of environmental sustainability;
- Ongoing monitoring of our environmental standards and performance.
